Under the Discipline Report, all student related issues have been resolved with students. Mr. Eckelberry asked if we are looking to replace any of the buses in the near future.
- B. **Random Drug testing of students who participate in Extra-Curricular Activities-Butch Denson.** Mr. Denson addressed the Board and asked if they have considered drug testing for students who participated in any Extra-Curricular Activities. Some other districts have implemented this policy. Mr. Rea commented that our policy currently states that a first offense is suspension, and the second offense could result in the inability to participate as well as counseling through school for student and their family. The tests would be completely random, so some students may be tested more than once. Mr. Hanks would like more information. Some things to consider are costs and how often are students pulled for testing. The Board would like more information about the program and review our policies regarding drug use. Mr. Eckelberry stated it is something to discuss.
- C. **The Peyton Way Foundation**-Mr. Frohbieter shared on behalf of the Foundation. The annual dinner, dance silent and live auctions will be February 24th 5:30pm at Latigo. The theme will be Flannel and Furs. The cost is \$40 per person. Table sponsorships are available for corporate donors. Donations for the auction are still being accepted.
