

BUILDINGS/GROUNDS-MAINTENANCE/REPAIR/UPKEEP

Buildings – Maintenance/Repair/Upkeep

It is expected that custodial personnel will clean the buildings to which they are assigned, follow a preventative maintenance program schedule relating to mechanical/electrical systems and perform routine minor repairs and alterations. Any repairs or alterations requiring trade knowledge of moderate skill and/or above should be pursued via a work order. Emergencies can be phoned into the office of the Superintendent of Schools.

School Grounds-Maintenance/Repair/Upkeep

It is expected that custodial personnel will ensure that school grounds are maintained free of litter and in a hazard free condition, including any playground equipment. The mowing of grass, trimming of shrubs etc., shall be provided by the District maintenance staff.
