

TRANSPORTATION SERVICES

The school district's transportation program shall be designed to get students who live an unreasonable walking distance to school, from school, and back, in an efficient, safe, and economical manner.

General responsibility for the transportation program except for establishing bus routes is vested in the Transportation Supervisor who reports to the Superintendent of Schools. All bus routes and bus pick up/drop off points are subject to the approval of the Board of Education annually.

The District shall operate its own fleet of buses and other vehicles as needed.
