

**VEHICLE INSURANCE
LIABILITY/PROPERTY DAMAGE –COMPREHENSIVE/COLLISION**

The School District shall carry a liability/property damage and uninsured motorist insurance to cover District owned vehicles and shall carry such insurance for the vehicles of others (non-ownership liability) who are authorized to utilize their vehicles for School District purposes (for individuals utilizing personal vehicles for School District purposes, their individual liability/property damage insurance shall be primary with the District's insurance being secondary). The District's insurance amounts shall be determined by the Superintendent of Schools consistent with appropriate Colorado statutes.

District school buses shall be insured for school passenger use. Any use of school buses for other than school activities beyond the normal school year must be approved by the Superintendent of Schools.

Comprehensive/Collision insurance shall be carried on all District vehicles, if in the opinion of the Superintendent the worth of the vehicle is such that the insurance should be assigned.
