

Physical Education

The Board, recognizing the importance of physical education for all students, is committed to providing adequate funds for facilities, equipment, personnel and supplies within the district's financial ability. The Board also recognizes the need to balance available funds among all areas of the curriculum.

*The superintendent shall develop a coordinated physical education program for district students that is aligned with state **and district** physical education standards.*

Daily physical education and/or physical fitness activities shall be provided for all students, including those with special medical or physical needs.
