

NEWS RELEASES

The superintendent's office will issue all news releases on events and activities of a district wide nature. This will include the assignments of staff and news concerning new personnel in the school.

Otherwise, the release of news pertaining to the school will be the responsibility of the principal. The principal will send a copy of all releases issued to the Superintendents office.

Releases pertaining to the athletics and activities programs will be the specific responsibilities of the directors of athletics and activities, but will be issued through the principal's office. However coaches will report the results of games directly to the newspapers.

Every effort shall be made to report new of school programs, athletics, and activities adequately, regularly, and well. New releases should be sent to all the papers serving the community.
