

SCHOOL BOARD WORK SESSIONS AND RETREATS

The Board, as a decision making body, is confronted with a continuing flow of problems, issues and needs which require action. While the Board is determined to expedite its business, it is also mindful of the importance of planning, brainstorming, and thoughtful discussion without action. Therefore, the Board may schedule work sessions and retreats from time to time in order to provide its members and the executive staff with such opportunities.

Topics for discussion and study will be announced publicly, and work sessions and retreats will be conducted in accordance with state law on public meetings.
