

BOARD MEMBER PROFESSIONAL DEVELOPMENT OPPORTUNITIES

In keeping with the need for continuing in-service training and development for its members, the Board encourages the participation of all members at appropriate school Board conferences, workshops, and conventions. However, in order to control both the investment of time and funds necessary to implement the policy, the Board establishes these principles and procedures for its guidance.

1. The Board will periodically decide which school Board conferences, conventions, and workshops appear to be most promising in terms of producing direct and indirect benefits to the school district.
2. Funds for participation at such meetings will be budget for on an annual basis. The Board shall designate which of its members would be the most appropriate to participate at a given meeting.
3. When a conference, conventions, or workshop is not attended by the full Board, those who participate will be requested to share information, recommendations, and materials acquired at the meeting.
